Fischer Francis Trees & Watts provides no assurance as to the completeness or accuracy of the information contained in this document. Statements concerning financial market trends are based on current market conditions, which will fluctuate. Investment strategies which utilize foreign exchange may entail increased risk due to political and economic uncertainties. Investors should consult their own legal and tax advisors in respect of legal, accounting, domicile and tax advice prior to investing in the financial instrument(s) in order to make an independent determination of the suitability and consequences of an investment therein, if permitted. Please note that different types of investments, if contained within this material, involve varying degrees of risk and there can be no assurance that any specific investment may either be suitable, appropriate or profitable for a client or prospective client's investment portfolio.

Given the economic and market risks, there can be no assurance that any investment strategy or strategies mentioned herein will achieve its/their investment objectives. Returns may be affected by, amongst other things, investment strategies or objectives

of the financial instrument(s) and material market and economic conditions, including interest rates, market terms and general market conditions. The different strategies applied to the financial instruments may have a significant effect on the results portrayed in this material. The value of an investment account may decline as well as rise. Investors may not get back the amount they originally invested. Past performance is not a guarantee of future results.

The information contained herein includes estimates and assumptions and involves significant elements of subjective judgment and analysis. No representations are made as to the accuracy of such estimates and assumptions, and there can be no assurance that actual events will not differ materially from those estimated or assumed. In the event that any of the estimates or assumptions used in this presentation prove to be untrue, results are likely to vary from those discussed herein.
